INFORMATION DISCLOSURE STATEMENT (IDS)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. This PTO/SB/08 (list of references) replaces that filed on October 16, 2003. The PTO/SB/08 filed with the Information Disclosure Statement on October 16, 2003 does not indicate the country code for each listed foreign patent document. This error has been corrected in the PTO/SB/08 filed herewith. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Copies of all of the documents listed on the PTO/SB/08, except for U.S. Patent Nos. 6,093,820 and 6,664,262, were cited by or submitted to the Patent Office during prosecution of the parent application (U.S. Serial No. 10/073,051) to the present application. Copies of U.S. Patent Nos. 6,093,820 and 6,6634,262 are submitted herewith.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

This Information Disclosure Statement is filed before the mailing date of a first Office Action on the merits as far as is known to the undersigned (37 CFR 1.97(b)(3)), therefore, no fee is due. If fees are due in connection with the filing, the Commissioner is authorized to charge any deficiency of up to \$300.00 or credit any excess in this fee to Deposit Account No. 04-0100.

Dated: February 25, 2004

Respectfully submitted,

By

Jay P. Lessler
